TECHNICAL NOTES

2016 LIMITED SYRAH

Deep neon purple, this Syrah is just beautiful to look at! Notes of violets, ginger, and gingerbread jump from the glass. Black pepper, pipe tobacco, honey, blueberry, and caramel frame the long, spicy finish.

	<i>Vintage Notes</i>	2016 was meant to be an El Niño rainy season that would cut a big dent in California's historic drought. But hopes were unrealized as the year began with another dry winter season. Fortunately, late season rains helped to leach salts and boost vine health. Spring to early summer was warm, then cooled off in July and August and finished with a heat spike in September, all helping to push harvest to another early start. While 2015 was Brave & Maiden's smallest vintage in years, 2016 rebounded with our heaviest crop to date.
